[Burke Herbarium Image Collection](http://burkeherbarium.org/imagecollection/) (burkeherbarium.org/imagecollection/)

[Washington Native Plant Society](http://wnps.org) (wnps.org)

[Google Search](#) (google.com) (and any of the web search engines)

#### Apps

[Washington Wildflowers](#), UW Burke Museum

[Seek](#), California Academy of Sciences & the National Geographic Society

[Picture This](#), Glority Group, Limited

## How To Photograph

### 3 Categories of Wildflower Photos

Portraits (close up – one flower)

Landscapes (far away – meadows full of many flowers)

Wildflowers in their habitat (midrange – some flowers with background)

### Tips

Start with a good specimen.

Be aware of distracting elements.

For portraits, photograph in diffuse light if possible.
